The Honorable Arthur S. Flemming
Director,
Office of Defense Mobilization
Washington 25, D. C.

Dear Mr. Fleming:

In compliance with the requirements of Phase III of the Mobilization Plan "C" Readiness Exercise prescribed by Program Memorandum-I-8, dated 13 April 1956, we are submitting herewith a report of the status of our proposed actions under the circumstances assumed.

The major mobilization responsibilities of this Agency are prescribed by appropriate National Security Council directives on the subject. In the light of these responsibilities it appears that the briefing assumptions contained in the exercise are thoroughly realistic and the policy decisions and proposed assignments of responsibility adequately cover every type of eventuality that might arise under the assumed situation.

Sincerely yours,

SIGNED
